

KEEP THE Democratic MAJORITY!

Former Gov. Tim Kaine has called the Virginia state Senate “the backstop that keeps the wild pitches from the House from hitting the fans.” Democrats’ slim two-seat majority in the state Senate is the firewall against reckless, right-wing Republican policies.

Every year the Republican-majority house passes bills that would restrict access to healthcare, especially reproductive rights; attack science, cut funding for our public schools, expand the use of handguns, restrict voting rights, gut environmental protection policies, force local officials to enforce federal immigration rules, and reduce negotiated pensions for state workers.

Republican Senate candidates for 2011 have proposed:

- **ABOLISHING** the Virginia Department of Environmental Quality,
- **ABOLISHING** the U.S. Department of Education,
- **ELIMINATING** corporate taxes and the income tax.
- **MANDATORY** drug testing for all welfare recipients.

“We have to kill bill after bill sent from the extreme right-wing house and we are happy to do it, but we must keep the Democratic majority in the Senate to continue doing that,” said Sen. George Barker, 39th District.

Only your vote will keep the Senate in Democratic hands!

I want a more progressive, more inclusive, and more socially just Commonwealth. Investments must be made in K-12 education. Higher education should be more accessible and affordable. I am passionate about protecting the environment and carry the endorsement of the Sierra Club. I offer 14 years of experience in local and regional issues.

I ran for State Senate 20 years ago to make things better, even though people said I couldn't make a difference. Since then I have protected children and families, helped strengthen our local economy and balanced the state budget while maintaining essential services to the disabled and vulnerable. But I am not done yet and I will continue to fight for progressive values that create a brighter future for our families.

“Virginians understand that the Senate Democratic majority is the last line of defense against an extreme Republican agenda that puts divisive social issues ahead of jobs and the economy.”

It has been my honor to serve Fairfax County in the Virginia Senate for the last five years. Since taking office, I have fought to bring high-paying, technology-based jobs to our area, secure needed transportation funding for Northern Virginia, improve our children's education, and make state and local government more accountable. It would be a privilege to continue to serve as your representative in Richmond, and I humbly ask for your vote on November 8. Thank you.
