District

In my first term, I went to Richmond focused on getting things done, rather than getting credit. I tackled big problems by drafting and passing over a dozen bills to make our government work better. We made some progress but we have much more to do. I ask for your vote on November 8 so that I can continue to fight for you and your priorities. Thank you for the honor of serving you.

My husband and I chose to live in Fairfax County because of its well-deserved reputation as a great place in which to raise a family. As your delegate, I have listened to your concerns about our community, county, and Commonwealth. I have fought to protect our schools, improve our roads, create high-paying jobs, and keep our neighborhoods and children safe. I ask for your vote on November 8, so I may continue working with you for a better future.

I love this community and have worked hard to ensure that future generations enjoy the same quality of life I had growing up here. As your delegate, I have fought to get our fair share of transportation funding, strengthen public education, invest in jobs and technology, and preserve our environment. I ask for your support so that together we can build an even stronger community.

As a life-long Virginian, I have been fortunate to be a small part of helping Northern Virginia and the Old Dominion change from a largely rural and change-resistant state to a vibrant 21st century leader in education, diversity, technology, medicine, science, and the arts. I ask for your vote once again.
