

KEEP THE Democratic MAJORITY!

Former Gov. Tim Kaine has called the Virginia state Senate “the backstop that keeps the wild pitches from the House from hitting the fans.” Democrats’ slim two-seat majority in the state Senate is the firewall against reckless, right-wing Republican policies.

Every year the Republican-majority house passes bills that would restrict access to healthcare, especially reproductive rights; attack science, cut funding for our public schools, expand the use of handguns, restrict voting rights, gut environmental protection policies, force local officials to enforce federal immigration rules, and reduce negotiated pensions for state workers.

Republican Senate candidates for 2011 have proposed:

- **ABOLISHING** the Virginia Department of Environmental Quality,
- **ABOLISHING** the U.S. Department of Education,
- **ELIMINATING** corporate taxes and the income tax.
- **MANDATORY** drug testing for all welfare recipients.

“We have to kill bill after bill sent from the extreme right-wing house and we are happy to do it, but we must keep the Democratic majority in the Senate to continue doing that,” said Sen. George Barker, 39th District.

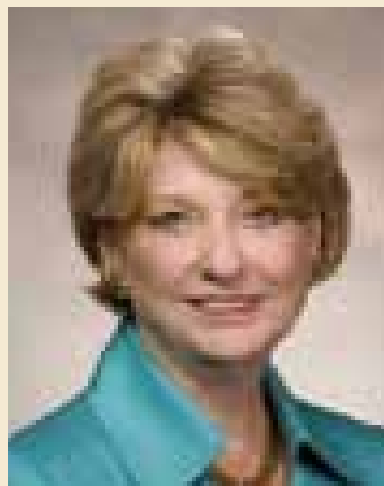

Only your vote will keep the Senate in Democratic hands!

“Virginians understand that the Senate Democratic majority is the last line of defense against an extreme Republican agenda that puts divisive social issues ahead of **jobs and the economy.”**

– Democratic Party of Virginia spokesman
Brian Coy

I ran for State Senate 20 years ago to make things better, even though people said I couldn't make a difference. Since then I have protected children and families, helped strengthen our local economy and balanced the state budget while maintaining essential services to the disabled and vulnerable. But I am not done yet and I will continue to fight for progressive values that create a brighter future for our families.

It has been my honor to serve Fairfax County in the Virginia Senate for the last five years. Since taking office, I have fought to bring high-paying, technology-based jobs to our area, secure needed transportation funding for Northern Virginia, improve our children's education, and make state and local government more accountable. It would be a privilege to continue to serve as your representative in Richmond, and I humbly ask for your vote on November 8. Thank you.

I grew up in Fairfax and chose to raise my family here. Since 2001, I have knocked on 75,000 doors in Fairfax County – from Annandale to Centreville. And I'm still not tired! As an advocate in Richmond, I speak for our children, our elderly, our small businesses. I speak for you. Put Fairfax First. Vote for Chap Petersen.

Fairfax County is a great place to live and work. We enjoy a high quality of life with first rate schools, business friendly environment and strong property values. To protect the future of Fairfax County in a fiscally responsible way, we need leaders who will defend the values most Virginians hold true. I want to make government work for all and ensure our unique contribution is recognized in Richmond.

As your state senator, I know that hard work gets results. That's why I was one of only two legislators to pass 20 bills this year, including measures to improve schools, create jobs, eliminate dating violence, and provide tax relief for the elderly and disabled. I'm asking for your support so that I can continue to work hard each day to make sure Virginia remains the best state in the country in which to do business, go to school, and raise a family.
