Dear Fellow Democrat:

On March 23 I had the pleasure of announcing my candidacy for the 8th District Congressional seat. The response has been most gratifying. I owe thanks to the more than 350 people who attended my announcement reception, many who donated food, time, and effort. Thanks go also to all who contributed to the success of our petition drive.

The campaign is now in full swing. I have been encouraged by the response as I have begun going door-to-door. But no campaign can be a success without the support of the party workers. Please feel free to stop in at our new office in the Ravensworth Shopping Center in Annandale (5240 Port Royal Rd., Suite 202, phone 321-3000).

If the cooperation and enthusiasm which launched this campaign continue, I am sure that we can retire Stan Parris in November.

Sincerely,

Dick

RESOLUTION

Whereas, the Fairfax County Democratic Committee encourages broad participation by all Democrats in the process of selecting the Party's nominee, and,

Whereas, it is important that this process be easily understood by all participants, and,

Whereas, the Mass Meeting procedure as implemented in the 1984 nomination process is not conducive to involving large numbers of participants in an efficient manner,

Be it therefore resolved that the Fairfax County Democratic Committee urges the Democratic Party of Virginia to determine the nominee of the Party in statewide Federal and State elections by a method that will allow all Democrats to express their preferences in a manner that is easily understood, not complicated to execute, and reflects fairly the preferences of the participants.

Be it also resolved that the Fairfax County Democratic Committee reaffirms its resolution of March 22, 1983 opposing precinct level caucuses and a two-step process, because of the number and size disparity of precincts in Fairfax County.

This resolution passed unanimously at the April 10th Steering Committee Meeting and will be considered at the May General Meeting -
