

### RESOLUTION

WHEREAS the current trends in the growth and development in Fairfax County with ~~their~~ corresponding problems to traffic management are of great concern to all citizens of Fairfax County, and

WHEREAS the County Goals Advisory Commission has been established to carefully examine these trends and problems and make recommendations for a series of goals for resolving the major issues discussed.

THEREFORE, Be It Resolved That,

Fairfax County Democratic Committee recommends that the County Goals Advisory Commission present its preliminary findings and goals for public discussion and comment by September 1, 1987.

### RESOLUTION

WHEREAS, Lilyan Spero increased the number of registered voters in Fairfax County in substantially greater proportion than the increase in population,

WHEREAS, she made voter registration more available to eligible voters than ever before through diligent use of field registrars and increase in times and places for registration

WHEREAS, she brought to reality her conviction that registration to vote is a right and not a privilege

THEREFORE, BE IT RESOLVED that the Fairfax County Democratic Committee expresses its admiration and pride in her accomplishments as General Registrar.

### RESOLUTION

WHEREAS, fair, honest and open elections are the cornerstone of our Democratic process, and,

WHEREAS, the public deserves integrity and fair practices in the behavior of elected officials and candidates standing for election to public office, and,

WHEREAS, The Fairfax County Democratic Committee has strongly supported the existence of a Fair Campaign Practices Committee since 1975;

NOW, THEREFORE BE IT RESOLVED THAT the Fairfax County Democratic Committee urges the Fairfax County Republican Committee to join with it to re-establish the Fairfax Fair Campaign Practices Committee, and

BE IT FURTHER RESOLVED THAT this Fairfax Fair Campaign Practices Committee shall furnish and supervise the use of a Code of Ethics by which all candidates are encouraged to conduct their campaigns.
