

Toni's primary campaign is in high gear. Toni has been doorknocking, the phone banks have been set up and volunteers are ready to get out the vote. All precincts are being manned on Primary Day, June 9, and volunteers for candidates without primaries are cordially invited to join us to greet voters and pass out literature for our Democratic candidates in the November election.

Toni's Campaign Kick-off Fundraiser was a great success, with many Democratic party regulars attending, as well as Toni's legion of supporters from her days on the School Board. Special thanks go to Bill Sullivan, President of the George Mason Young Dems, for coordinating traffic control and signs.

## RESOLUTION

The Fairfax County Democratic Committee commends Senator Daniel Inouye, Representative Lee Hamilton and the Democratic Congressional leadership for their work so far in investigating "Iran-Contragate". We encourage them to pursue the inquiry until it is clear where the responsibility specifically rests.

### UNSOLICITED COMMERCIAL

At a December meeting of the Virginia Registrars Association, I was fortunate to hear our next speaker at the May FCDC meeting, CURTIS GANS.

He was a very stimulating and thought provoking speaker. Anyone who is involved in the Election process (and that, of course, means all of us), I think he's a must. Please come by and bring friends.
